Main Session

September 16, 7:00 PM, Room A129

Are you struggling with your finances? Do you want to gain peace of mind? Do you desire to apply God's plan for your money?

Almost everyone agrees that the Bible contains great advice about life, from improving your marriage to getting along with your boss at work. But does the Bible really say much about money? Does it really give us advice that we can apply to our own life in today's world?

The Good News is Yes! Absolutely! The Bible is as relevant and helpful today as when it was written, and God has a lot to say about money. Did you know that money is mentioned in the Bible over 800 times? God must be pretty serious about this subject to talk about it this much.
